F2F AS WELL?

For schools in Sydney, you can combine the online video course with a face to face session. The f2f session will be discounted by 50% and the best time to run this 1 hr session is after the Trial HSC / Mock IB exams in Term 3.

Cost for online program + 1 hr session = \$1650 + \$825 = \$2475 incl GST.

PROCESS:

Once you decide to join the group we will set up a link specific to your school and send it to you so you can get started. Just send an email to Dr Salter at info@enhanced-learning.net and off we go! No need to wait for invoice to be paid.

Thank you very much Dr Salter I appreciate you giving your time to give me feedback on my notes. I watched your videos this morning they're very good. It made the whole situation seem manageable.

Student

Many, many thanks. Your series is very informative and will really help us.

Parent

Thank you for your generous and sensible advice to our students and their families. I really must stress that we received a significant number of grateful emails from parents when we sent the initial email informing them of the videos to come. This is such important work that you do. We really appreciate the resources and support from you as we truly believe this is a huge team effort from all parties – internal and external agencies- to help support the students adjust to the current environment.
